

WOMEN EMPOWERMENT CELL

The Women Empowerment Cell is established for the intellectual and Socio-economic upliftment of female Students and Staff members. The goal is to create and preserve a respectful and comfortable work environment for women, allowing them to reach their full potential in all areas. The main function of this cell is to

1. To promote a culture of respect and equality for female gender.
2. Aims at creating awareness of their rights and duties through Guest Lectures, Seminars, Workshops, various awareness programmes and other welfare activities
3. To enhance their understanding of issues related to women in the society and to face the challenges with great courage.
